ACCESS TO LIFELONG LEARNING POLICY

Istanbul Okan University aims to support equal, inclusive and accessible lifelong learning opportunities and strengthen a culture of continuous learning across different life stages. It conducts lifelong learning activities according to social progress, individual development and social inclusion.

Policy Core Actions ;

- Ensure equal access to lifelong learning and prevent discrimination.
- Develop inclusive and accessible educational opportunities for different ages, professions and social groups.
- Promote continuous learning through programs, seminars, conferences and similar activities.
- Develop and implement flexible, diverse and needs-responsive learning models.
- Encourage participation by students, graduates, professionals and diverse community groups.
- Link lifelong learning with community engagement and social development and improve related practices.
- Ensure accessibility, inclusion and equality in learning and strengthen institutional capacity.
- Raise awareness of lifelong learning and support stakeholder participation.
- Plan, coordinate and implement lifelong learning processes.
- Monitor effectiveness and continuously improve practices through the PDCA cycle.
